

## Questions related to An American Jewish Statement against Zionism

1. Which of the following did the Hebrew prophets place above the other three—the land, the moral law, the nation, or the race?
2. What can true democracy offer to the individual which a Jewish state—by inference—cannot offer?
3. Was the American Council for Judaism aware that the Holocaust was taking place?
4. Name four values which coincide with both democracy and religion.
5. List four specific achievements of Jewish settlers in Palestine.
6. Had Zionism and the Zionist insistence upon raising a Jewish army helped or harmed the ability of Jewish refugees to immigrate to Palestine?
7. What kind of government would the American Council for Judaism ultimately like to see established in Palestine, and how would a Jewish state vary from this?
8. Do you believe that a Jewish democracy—or a Christian or a Muslim one, for that matter—can really work? Explain.
